

NORTH COUNTY CHRISTIAN SCHOOL

North County Christian School is a coeducational Christian school that provides a college preparatory program with a faculty dedicated to helping students grow academically, socially and spiritually. The school is committed to serving the comprehensive educational needs of families. NCCS is also committed to serving a student body made up of various socioeconomic backgrounds, races and ethnicities.

OUR VISION

NCCS's vision is to partner together with Christian families desiring a Christ-centered education for their child, as we work together to prepare your child spiritually, academically, emotionally, and physically for their future as a leader for tomorrow.

OUR MISSION

The mission of North County Christian School is to work in partnership with the home and church to provide quality education rooted in Biblical truths and to nurture students as they . . .

Embrace a personal relationship with Jesus Christ,
Discover their God given gifts,
Seek His plan for their life, and
Serve Him with their mind, body and spirit.

HOME STAY PLACEMENT

- One of the unique features of North County Christian School's international program is the home stay program. Instead of impersonal dorms, we believe that placing international students with American families is a much better learning environment and provides great social and emotional support. NCCS believes strongly in a partnership between the home, church and school, and international students thrive under this partnership.
- Host families are chosen after reference checks and personal interviews. Orientation and ongoing support is provided to host families as well. International students are assigned to a host family after careful consideration and when the best fit has been determined.
